

## Boho Chic

Beauty with a soul that makes a difference. Texture and colour grounded in the earth's elements for decor with an impact. Eco chic earth tones and nature inspired motifs. The grounded warmth of wood, stone and terra cotta highlight a connection to the natural world. Embrace the elements with organic style.

## Cozy Casa

Play with function. Casual and familiar meets stylish practicality. Create a relaxed atmosphere with small or large motifs and floral prints. Dots and stripes lend a sense of movement to reflect the dynamic aspects of life. Visually soothing characteristics juxtapose beautifully with care-free maintenance. The look enhances your lifestyle.

## Studio Urbano

Live in the limitless style of industrial chic. Modern graphic motifs in smoky, washed-out tones redefine the boundaries of urban fashion. Contemporary balance is achieved with punchy accents and shocks of colour. Freedom and simplicity in a clean look, paired with edgy textures of concrete and hammered metal, create fresh, modern style.

## Classik Elegance

Enduring luxury defined by subtle colour and texture. Simple sophistication expressed in dramatic contrasts of black and white refines style. Accent understated elegance with harmonious tone on tone motifs. A chic and soothing environment is established with large floral and arabesque design elements in classic beige and gray. Pure contemporary classic style that is timeless.
